

# RYAN MICHAEL DIAMOND

## SOFTWARE DEVELOPER

rd@ryandiamond.com | (908)-839-2886 | <https://ryandiamond.com> | <https://www.linkedin.com/in/ryandiamond23/>

A software developer with over 10 years experience, I am interested in creating e-commerce solutions that revolutionize the way we think of the online shopping experience.

### EXPERIENCE

**SOFTWARE DEVELOPER:** Something Digital (New York, NY), 2018 – pres.

- Design, develop, and deploy state-of-the-art e-commerce solutions
- Monitor and maintain production environments generating millions in annual revenue
- Coordinate initiatives with clients and business development team to increase conversion rates
- Participate in business hour and off-hour emergency issue resolution
- Engage in both internal and external trainings and certifications

**JUNIOR DEVELOPER:** SIDEARM Sports (Syracuse, NY), 2015 – 2017

- Expanded and modernized the web and mobile live streaming platforms
- Built metric measurement applications for internal company use
- Assisted live streaming and support teams with emergency issue resolution
- Contributed to various other internal projects and initiatives

### EDUCATION

**B.S, COMPUTER SCIENCE:** Syracuse University (Syracuse, NY), 2014 – 2018

- L.C. Smith College of Engineering and Computer Science
- Brother, Sigma Alpha Mu Fraternity – Eta Chapter
- Technology Committee Member, SU Student Association
- Member, National Society of Collegiate Scholars

### PROJECTS

**DIAMONDAIO:** Owner/Lead Developer, 2018 – pres.

- Develop Windows-based checkout automation software
- Plan and build well-rounded UI / UX designs
- Host and manage web servers, API, and Discord integrations
- Provide weekly updates and patches to users

**TWO ZONE HOCKEY:** Owner/Lead Developer, 2015 – 2017

- Oversaw and coordinated all development efforts
- Lead development on website and simulation engine
- Managed and organized both local and remote services
- Provided day-to-day staff with updates and changes

### SKILLS
