

RYAN M. DIAMOND

WEB AND SOFTWARE DEVELOPER

(908)-839-2886 – rd@ryandiamond.com – http://ryandiamond.com

As a full-time student with over six years in web and software development, I am looking for an internship opportunity in which I am hoping to gain valuable experience and knowledge by applying my knowledge in real-world organization. By observing and participating, I would like learn from professionals in the technology industry, something that a university classroom cannot provide.

EXPERIENCE
